DISCOVER AUTHENTIC BEAUTY

A glint of light. A splash of colour. A split second of contrast. A glimpse of soul-stirring humanity. These are moments of true beauty – unguarded, spontaneous, captivating. A beauty which Steve McCurry has a gift for revealing.

That's why Silversea's collaboration with Steve is a natural fit. Let him inspire you to seek the world's authentic beauty. Then let us take you to find it.

A handwritten signature of Steve McCurry in black ink. The signature is fluid and cursive, with the first letter 'S' being particularly large and stylized.

Beauty is everywhere. But those who explore the world with Silversea are not attracted by mainstream interpretations. Their curiosity drives them to seek the extraordinary. They feel the urge to go beyond – and to come back changed, enriched with memories and new understanding. That’s why Silversea is here. Because the world is a beautiful mystery. And for curious travellers, there is always more to discover.

*“The real voyage of discovery
consists not in seeking new landscapes, but in
having new eyes.”*

A UNIQUE TAKE ON LUXURY

Barbara Muckermann / Chief Marketing Officer, Silversea Cruises

What is the meaning of luxury? Luxury takes on different meanings for different people, yet everyone instantly recognises it when they see the real thing. For Silversea, real luxury is about offering our guests the most incredible experiences our world can offer, because we know that our guests share our curiosity. Our experiences revolve around people, because true travellers collect interactions with people, not monuments. These unique moments are enriched when shared with friends, both new and old. They are enhanced by the thoughtful gestures of our crew, who get to know guests personally and pre-empt their needs.

These incredible experiences are heightened through a deep exploration of culinary cultures – using the lenses of food and drink to get under the skin of the destinations we visit. But mostly, and particularly this year, luxury means the freedom of choice. This is why Silversea offers more unique itineraries than any other cruise line, comprising over 900 destinations across the seven continents – delivered with unprecedented variety, as guests travel aboard some of the most spacious ships at sea. We can't wait to see you back on board, exploring the world while surrounded by whispered luxury.

*“Enriched by the freedom of choice,
authentic experience
is the new currency of luxury.”*

INVESTING IN YOUR EXPERIENCE

*Roberto Martinoli /
President and Chief Executive Officer, Silversea Cruises*

Shipbuilding is a tradition that runs in my family. My grandfather worked at a Fincantieri shipyard and would share stories about the ships being built there. As a child, I imagined the distant lands to which those ships would sail; I thought about their guests, dreaming about their adventures. From an early age, I aspired to work in the maritime industry. I realised this goal when I qualified as a Marine Engineer and Naval Architect.

I therefore take pride in enhancing our fleet for our guests, to stand at the forefront of an industry that is dear to my heart. Supported by the Royal Caribbean Group, we're launching ships at an unprecedented rate, expanding and enhancing our range of experiences. With every new ship, I feel a sense of excitement that is shared by those in our extended family. They will take our unique concept of luxury to the ends of the Earth.

I am proud of what we achieved in 2020: as well as working with some of the world's best shipyards to launch *Silver Origin* and *Silver Moon*, we also laid the keel for *Silver Dawn* – due to join our fleet at the end of 2021. *Silver Origin* is our first destination-specific ship, setting new heights for experiential travel in the Galápagos as the region's most elegant ship. *Silver Dawn* will join sister ship *Silver Moon* in redefining 21st century luxury travel, offering our new S.A.L.T. culinary programme and our new spa concept. Two new Evolution-class ships are also on order, with the first due to launch in 2023. With the environment in mind, we are investing in new 'green' technologies to keep our impact low and to remain at the forefront of innovation.

Innovation will be key in the coming years. Join us as we set sail for the future.

CULINARY JOURNEYS FOR CURIOUS MINDS

Adam Sachs / Director S.A.L.T. Programme

At Silversea, we truly understand the meaning of discovering the authentic beauty of the world. This not only means exploring off the beaten track destinations, but approaching each place holistically – from its culture to its traditions and yes, its food.

We believe that food offers a gateway into other cultures, through taste, preparation and the whole eating environment. Food and drink provide lasting memories that define a travel experience. It embodies cultural identity and individuality, and gives an insight into a new, exotic and unusual experience, offering a deeper insight into the destination.

This is why we have conceived S.A.L.T., the Sea and Land Taste Programme. S.A.L.T. is designed to showcase entire ecosystems around culinary discovery for our guests, bringing them closer to the world's diverse food and drink cultures.

Through S.A.L.T. we connect travellers with the places they visit – be it through traditional farmhouse cooking in Tuscany or foraging for ingredients in Asia. Back on board, three dedicated venues aboard *Silver Moon* and *Silver Dawn* – S.A.L.T. Lab, S.A.L.T. Kitchen and S.A.L.T. Bar – push boundaries to showcase the stories around each destination's cuisine, offering an immersive travel experience like no other.

Guests enjoy culinary excellence in each of our onboard dining venues. Our broad-ranging all-inclusive restaurant concepts – eight aboard *Silver Muse*, *Silver Spirit* and *Silver Moon* – serve the best ingredients at sea. These include La Dame, our modern take on traditional French cuisine; The Grill, for romantic lava stone meals under the stars; Asian-inspired Kaiseki and Spaccanapoli, which serves arguably the best pizzas at sea. And there's far more to explore in Atlantide, Indochine, La Terrazza, Seishin, Silver Note, and The Restaurant.

Pull up a chair and be amazed.

LUXURY SERVICE, PERSONALISED FOR YOU

*Fernando Barroso de Oliveira /
President's Ambassador to the Venetian Society*

If we've had the pleasure of meeting on board, you'll know that my role at Silversea fulfils my two passions: discovering the world and befriending likeminded travellers. And I hope you agree, we enjoy a special atmosphere on our intimate ships, one which creates lifelong friendships and stimulates unforgettable memories.

Our Venetian Society is an extended family and our crew takes pride in getting to know you, caring for you attentively by providing an unrivalled service that's enriched with personal touches: from bar staff who recall how you like your drinks to butlers who anticipate your needs. It's the reason you feel at home whenever you step aboard.

*“Our guests want for nothing
as they experience everything,
making lifelong friends and memories.”*

MODERN PIONEERS

*Conrad Combrink / SVP Expeditions, Turnaround Operations
and Destination Management, Silversea Cruises*

We explorers are hungry for deep travel. We scout landing spots, launch the Zodiac®, and journey into unfamiliar lands. I've seen much of the world and so have our guests, but each day yields something new with Silversea.

When I look at a map, I envisage the inspiring experiences that await us across all seven continents, from witnessing iconic Mediterranean monuments to peaceful Polar shorelines. Including 70 maiden calls, our new collection of 2022/2023 voyages is our largest ever: we'll hear the songs of rare birds, as we venture deep into the Amazon Rainforest; we'll swim with sea turtles in the Galápagos' rich waters; we'll journey further south in Antarctica, as we attempt to reach 69° South on our Deep Antarctica Expedition. Pioneers of adventure, our Expedition Team accompanies us to all seven continents. Their expert knowledge enriches our travels and develops us as people. In this sense, an expedition with Silversea is a journey in more ways than one. It is a privilege to live in a world of such majesty and experiences are what define us. Which will you discover next?

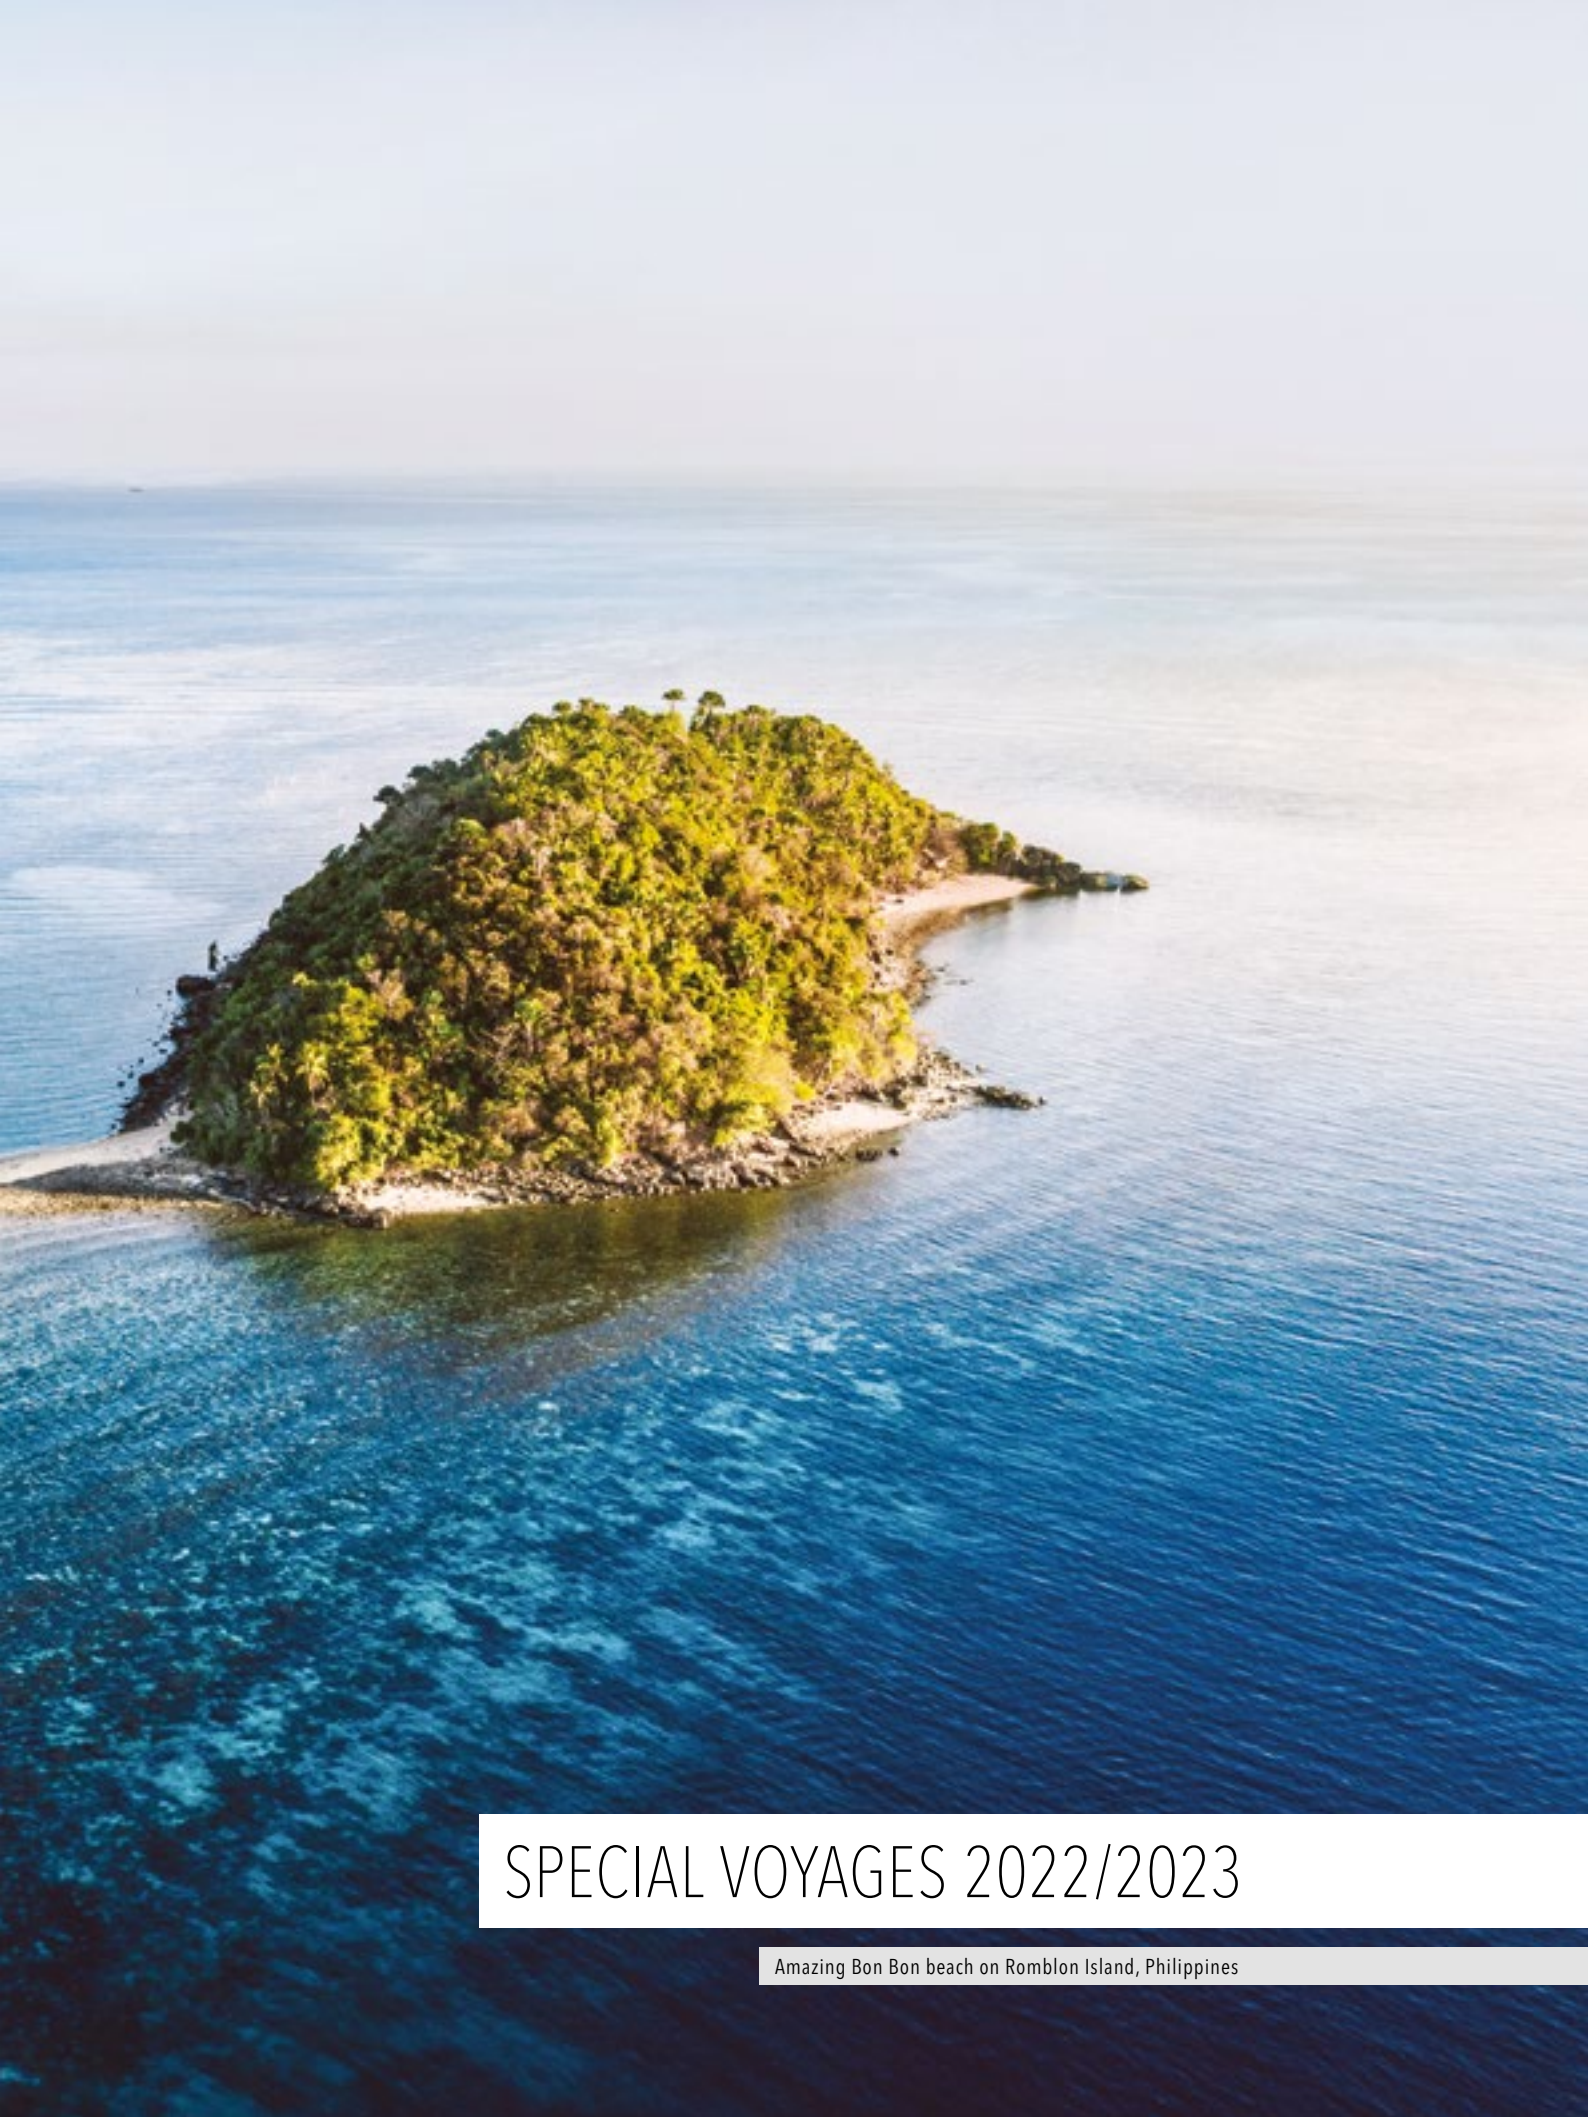

*“There are always new things
to find... if you go looking for them.”*
