## *Decide Symbolic or Legal Wedding Ceremony*

**Y**our wedding is your most special day and Azamara can provide service in two different manners.

Choose from a Symbolic Ceremony - for those couples who do not want to delve into legal paperwork in a foreign country, who are already married, or who do not mind holding a civil ceremony (as is custom in many locations) - the options are practically limitless for you.

OR hold a Legal ceremony - If you would like to hold a legal ceremony while cruising with Azamara, please contact your Event Manager for ports of call and packages available where we can legally marry you - OR call an Event manager today to discuss all your ceremony options.
